THE BOWLING CLUB

A most enjoyable bowling match was played on the Pack Horse Green on Thursday evening between Ashford Bowling Club. The teams were skipped as follows (Ashford appears first) : Hurrell 19, Walsh 21; Joyce 13, Wilson 20; Rombotta 20, Wright 15; totals 52, 56.

At half-time, 11 ends, both teams were equal points, but eventually there was a win for Staines by four points. The visitors played up exceedingly well, and Mr. Hurrell's rink were 19 all at 20 ends, but Mr. Walsh scored in excellent style and got the winning points. It was a very good start for the new bowling club to win at home on the first match this year. They also have one win away, having been successful at Chertsey on Whit Monday. – They play Feltham at Staines to-day.

Thanks to Staines Museum for their research.
