STOP PRESS 1 – Gardening

**Please note the gardening club's first date has been cancelled
owing to weather forecast.
Try again on the 10th April.**

STOP PRESS 2 – Holiday information for rotas

ALL HOLIDAY DATES ETC. TO BE RETURNED TO GRAEME BY MONDAY
1ST APRIL PLEASE

As you are aware, each member is required to participate in cleaning duties and the men are also required to be involved with opening and closing the club each day.

With the success of last year's arrangements we will again try to make life easier by avoiding dates that are inconvenient and then requiring "swapping arrangements".

If you have holiday arrangements or any other dates that present problems, **please e-mail them to me** so I can hopefully arrange the rotas to suit everybody.

Alternatively if you have dates that you would prefer to do, then please advise.

If you are involved in the Monday Night League and you are aware of dates that you are unable to play please advise so the playing schedule can be arranged to suit.

Please reply by **MONDAY 1st APRIL** to graemedhinton@hotmail.com

Many thanks

Graeme H
