

Club Competition Update: 2023

Club Competition Rules ,Etiquette and Advice

A new rule for this year.

The Challenger and Opponent will now be mutually responsible for arranging an agreed match date .In the first instance and at least 14 days ahead of the play by date the Challenger must offer 3 dates. If this does not happen then the Opponent will offer 2 dates and the Challenger must accept one of these dates. Failure to complete the match on time will result in the Opponent being awarded the game.

The Mixed Pairs (Handicapped) will now be played over 21 ends. All other Pairs competitions will remain at 18 ends

Also as a general reminder, in club competitions, club etiquette requires the WINNER to offer a drink (tea,coffee or alcoholic) to the opponent and more importantly to the marker.

Markers must be competent and understand the rules of the relevant competitions. Whilst not a rule, you are advised against your spouse/partner or any relative to mark your match. If this is necessary, you must seek agreement from your opponent prior to the day of the match. They are perfectly entitled to say "no".
